

## *2021 – Tire Purchase Policy and Procedure*

### **Ordering Procedure:**

1. Orders must be placed using the website at least 2 weeks before the event.
2. A valid credit card number must be added to the team's file.
3. All layaways will be charged at the booking time, and they are non-refundable.
4. In case the delivery is set at a home address, either before or in between events, shipping fees will apply. (Calculated according to the delivery distance and quantity delivered.)
5. The on-track installations will be cumulated and invoiced before the event's last race.
6. All orders must be paid in full before they can be delivered or installed on the track.

### **Wheels:**

- a) Teams must present clean wheels to the service trailer:  
Any grease, pellet or adhesive should be removed from the wheel.
- b) All wheels must be clearly identified with the car number and their position on the car.
- c) We reserve the right to refuse a wheel that shows signs of excessive fatigue or is too damaged to be put back on the track.
- d) A team member must sign for the wheels before he can leave with them.
- e) For safety/security reasons, the teams are not allowed to enter the service trailer.
- f) Worn/used tires must be recovered immediately; otherwise, Touchette Motorsport reserves the right to dispose of them.

### **Costs:**

Mounting/Dismounting: \$11 + applicable taxes.

Balancing: \$13 + applicable taxes.
